Vision Board Workshop

INSPIRATION & MOTIVATION

In this class you'll create a vision board with a unique twist connecting you with what truly lights you up and gets you ready for the new year to live and love your best life! This vision board workshop is wellness work at its best as it inspires you to dig deeper into who you are and what lights you up. Sometimes we are living quite removed from what matters to us most. You will learn valuable tools to waken your inner inspiration and motivation to find out who you are and what you want more of to live a life of passion and happiness.

AMERICAN SIGN LANGUAGE & THE DEAF CULTURE

January 7 – March 31, 2020

In this American Sign Language course, students will learn how to converse with the deaf population. Different uses of the language will be explored including uses with high noise environments such as the construction industry and in sports. Students will learn about the deaf culture and how history influences interactions with the deaf population. Students will also learn the modern communication techniques including TTY, smartphone apps and video relay service in Canada.

From Saulteau First Nations Community

Start your health care career

Get your health care career started right in your own hometown. The March 2020 intake of our health care assistant program will prepare you for work in hospitals, clinics, assisted living facilities, and more.

Whether you're from Chetwynd, Dawson Creek, Fort Nelson, or Fort St. John, you will learn together with your regional classmates via video conferencing. While you'll do the theory portion of the courses in your hometown, you may need to travel for your practicum, depending on space availability.

The program runs consecutively from March to December 2020.

For more information, please contact Shannon Morrow at 250-785-0887

This cohort is delivered in partnership with **NENAS**, Northern Health, and our local school districts.

Northern Lights
College

Hello my Fellow SFN Members,

I am Kaylin Watson, I will be the new Acting Communications Coordinator for Saulteau First Nations while Falon goes on her Maternity Leave for the next year.

I am a member of Saulteau First Nations born and raised in Chetwynd/Moberly Lake area.

I am excited to be back home after spending previous years in Kamloops studying at Thompson Rivers University.

I am looking forward to working for the people and our Nation.

Feel free to reach out at anytime or pop into the office to say hi.

**Kind Regards,
Kaylin Watson**

Congratulations Mary Doyle

Congratulations to Mary Doyle on becoming SFN'S backup Indian Registry Administrator.

Mary and Norma recently took training in Vancouver to complete this process.

In any case that Norma is away or out of office, Mary will be the main contact for any Indian Registry Procedures.

mdoyle@saulteau.com

ATTENTIONS ALL SFN BAND MEMBERS

In Regards To All Patient Travel

First Nations Health Authority is really cracking down on procedures that are not being followed.

For the future, all out of town appointment confirmation is now required before hand.

You will still need to provide a stamped or signed confirmation of attendance form.

**For any questions or concerns,
please contact Norma Podolecki.**

**Norma Podolecki
npodolecki@saulteau.com
250-788-7283**

ATTENTION ALL SFN MEMBERS

As per Indian Affairs's Rules and Regulations

Two pieces of Government issued ID is now required when applying for a new status card.

You will be asked to provide this by SFN's Indian Registry Administrator.

If you are unable to provide two pieces of ID, you will not be issued a status card.

Thank you for your understanding and Cooperation.

Norma Podolecki

SAULTEAU FIRST NATIONS HEALTH CENTER 2020

I would like to say that I am thoroughly enjoying my new position here at Sauleteau as Community Health Nurse and Community Health Representative. I have been warmly welcomed by staff and community members and I am grateful to be here. I appreciate your patience as I learn my role and get programs implemented, according to the needs of our community.

2019 is behind us and the health center is happy to announce the following contributions to the health of this community. Since October, 57 gym passes and 39 Swim passes were given out; 14 people were screened for Tuberculosis; and 33 flu shots were given. Education was offered to the community on CPR and AED use, Elder abuse, diabetes and disaster preparedness. Pre and post natal classes were offered. Men's group has restarted. Accupuncturist Jayden has been here every two months. Monthly Optometrist visits have been initiated here in Chetwynd. Cultural offerings have included a round dance and a three-day visit from Tsoow Tun Le Lum. Women's and Girls' group meetings have continued. Community soup and bannock have been ongoing every two weeks.

My colleagues and I would like to wish everyone a Happy and Healthy 2020. We want to remind the community of the following resources and how to access them:

- Immunizations for all ages – Sarah does these – ask her for an appointment.
- Nasal Narcan is available FREE for any band members – either pick it up at the pharmacy or let Heather know you'd like some. Heather will pick it up and bring it to the reserve.
- Swim and gym passes are free for band members – come see Heather or Melva for a 10 punch pass
- Men's group every two weeks – Derek Wood coordinates this
- Eye exam appointments with transportation to Dr. Kaziolka in Chetwynd – sign up with Melva ONLY if you need help getting there and back. If you're OK to drive yourself, just make an appointment directly with the Dr and go in at your convenience. They direct bill the eye exam (except for \$10, which you will have to pay) and the cost of glasses up to \$415.
- Accupuncturist Jayden will be here for a week every two months – you'll need to book appointments with Melva. He is willing to see people at his hotel also – you can contact him or Melva to arrange that.
- Soup and Bannock continues here every two weeks for community Members.
- Tb screening is ongoing. This is a two part appointment. Ask Heather for an appointment or any other questions about Tb.
- We have some harm reduction supplies here and are working on getting more. Come and see Sarah or Heather. No judgement. Confidential. Needles, syringes, alcohol swabs, sharps containers, clean water, condoms, etc. are already here.

Feel free to leave suggestions in the box at the Health Center if you have any comments or suggestions for enhancing programs. When we work together, we can accomplish great things.

Heather Lirette, RN, CHN, CHR

COHI/ Dental Presentation

Date: January 28, 2020

The Latest Information on CWD (Chronic Waste Disease)

The BC Wildlife Health Program is happy to report that the CWD Kootenay samples from October and early November (479 samples) have all come back negative. Samples from the Peace Region will be submitted soon for testing. I will keep you posted on those results and all will be posted to the website: www.gov.bc.ca/chronicwastingdisease

Mandatory submission of deer along the BC-Montana border is finished for the season. Over 1000 heads have now been submitted from the Kootenay Region. Submission numbers have also been good in the Peace Region and the Okanagan, with a number of new drop off locations established this season.

Thank you to the BCWF and clubs for donating and hosting freezers. We are grateful to all of the hunters that have participated and continue to support the Program. And thanks to all of our partners, local businesses, regional wildlife staff and Conservation Officers for really stepping up to help in the delivery of enhanced surveillance this fall.

The hunting season is wrapping up, but CWD testing will continue through the winter with the last of the hunter samples, road kills and any cervid presenting with CWD-like symptoms. We will need more samples and will need to sustain this level of surveillance to maintain confidence in healthy wildlife populations - so let's continue to be proactive and protect B.C.'s deer, elk, moose and caribou from CWD.

Lastly, I would like to acknowledge our regional CWD coordinators, Brian Paterson (Peace) and Jeff Berdusco (Kootenay) for their tremendous efforts and dedication to the Program!

The annual face-to-face meeting for the Peace CWD Working Group will be held in Fort St John on Thursday January 23rd, 2020.
A meeting invite will go out shortly.

From Brain. D.

SHEEP FOR SALE

Rams

Ewes

Lambs

The Rambouillet (*aka French Merino*) are very strong and hardy animals; popular in the Canadian West because of their ability to survive in harsh conditions. They are a dual-purpose animal, and raised for both meat and wool production. They are well known and noted for their superior wool and near-mutton breed characteristics.

Sheep Available

12 - Two year old Rams \$850 each
Average 250-300 lbs

29 - One year old Rambouillet Ewes \$400 each
Average 150-200 lbs

75 - May 2019 Rambouillet Lambs \$100 each

Saulteau First Nations

New JOB POSTING -HEAVY EQUIPMENT OPERATOR 3 Month Term

INFORMATION

For consideration, interested persons should submit a cover letter and resume and three references. Please provide evidence of qualifications, skills and abilities.

Terms of employment:

Term (3 Months)

Location:

Saulteau First Nation's Housing Site and Maintenance Areas

Potential start date in January 2020

SUBMIT application to:

HR@saulteau.com

Position will be posted until a suitable applicant is selected

We thank all applicants for their interest, however, only those selected for an interview will be contacted.

Preference will be given to persons of Aboriginal ancestry in the event of equal qualifications.

Please note other requirements of this position:
Criminal Record check
Own transportation to and from work
Valid driver's license

Saulteau First Nations (SFN) is a section 10 band within the meaning of the Indian Act. The Band has been formed by the amalgamation of Dunne - Za, Cree, and Saulteau residents. This First Nations community is covered by Treaty 8. The community is located at the east end of Moberly Lake, which is about 100km southwest of Fort St. John on Highway 29. There is one reserve, East Moberly Lake No.169, spread over 3025.8 hectares.

Purpose of the Position

Saulteau is currently looking for an experienced Heavy Equipment Operator. The successful applicant will have experience operating various equipment such as an Excavator, Dozer, Loader, Mini Hoe, Skid Steer, etc.

This position reports to the Project Manager.

The hours of work for this position will be 40 hours a week, eight hours per day, Monday to Friday from 8:00 AM to 4:30 PM each workday. Flexibility may be permitted at manager's discretion as some jobs may fall outside of these normal hours.

Scope/Responsibilities

- Operate various equipment in a safe and productive manner
- Dig for septic systems and waterlines, building projects and infrastructure
- Be compliant with all regulatory requirements
- Follow procedures and established safe practices (such as wearing proper PPE, pre-operational checks, equipment walk-arounds, safe parking, lockout, etc.)
- Liaise with ground disturbance crews/line locators if/when applicable
- Keep the equipment clean and treat it as your own
- Advise the Project Manager of any requirements for equipment maintenance or repairs
- Populate log books for hours used

Minimum Qualifications

- 1 Year experience running heavy duty equipment
- Valid Driver's license

Desired Qualifications

- Heavy Equipment Operator Certification (or willingness to work towards)
- Experience digging for septic systems and waterlines in relation to building projects and infrastructure
- Has the ability to identify key hazards and uses strategies to work safely on the job site
- Has experience identifying stability of soils, edges, excavations, and stability of the machines; has awareness of equipment position, clearance, safe movements, other surroundings

Knowledge, Skills, and Abilities

- Knowledge and experience of Saulteau community and culture
- Must be able to operate the equipment in a safe and productive manner
- Able to verify location of utilities or other dangers in the ground before digging
- Be safety orientated, self-motivated and work well with others
- Fine grading, trenching, and excavation abilities
- Must be able to meet all safety requirements and applicable safety policies
- Knows and respects their equipment, skills, and limitations

Personal attributes

- Be honest and trustworthy
- Demonstrate sound work ethics
- Be a team player
- Able to take direction from others

This position will be open until a suitable candidate is selected.

Saulteau First Nations (SFN) is a section 10 band within the meaning of the Indian Act. The Band has been formed by the amalgamation of Dunne - Za, Cree, and Saulteau residents. This First Nations community is covered by Treaty 8. The community is located at the east end of Moberly Lake, which is about 100km southwest of Fort St. John on Highway 29. There is one reserve, East Moberly Lake No.169, spread over 3025.8 hectares.

Purpose of the Position

This position is responsible for assisting the Program Coordinator in developing and overseeing programs which provide community members the opportunity to learn basic life skills in a "home" setting. Different programs will be developed for each age group and will aim to be delivered in a social atmosphere. These programs are intended to give the attendees an opportunity to learn skills which will make them more adaptive and better able to effectively deal with the every-day demands and challenges of life. The assistant will be part-time and provide the coordinator assistance so programs run smoothly and successfully.

Scope/Responsibilities

- Assist the coordinator in developing and overseeing programs to be run out of the "New Beginnings" House
- Distribute and collect consent forms from program applicants; file the forms accordingly
- Help to ensure the house is clean and kept in order; work with maintenance and housing department when issues related to the house arise
- Help to ensure the house is stocked with the necessary supplies required to execute a program successfully; shop for supplies as required and as budgeted for
- Clean and prepare house in preparation for program dates and upon completion of events
- Assist in eliciting sponsorship and/or prepare grant proposals whenever applicable to gain additional funding in order to be able to provide more extravagant programs
- Laisse with other Saulteau First Nations departments for collaboration opportunities
- Work with the Communications Coordinator to adequately market the programs being offered
- Maintain confidentiality at all times
- Evoke learnings through tradition and culture whenever possible
- Survey attendees and community members for programs which they would find effective and try and incorporate their feedback whenever possible

Qualifications

- Highschool diploma
- 1 years of experience working with youth in a social assistance role
- 1 years of experience in mentoring or coaching
- Certificate in First Aid

Knowledge, Skills, and Abilities

- Knowledge and experience of Indigenous community and culture
- Outstanding organizational and budgeting skills
- Professional and confidential person
- Team player
- Great interpersonal and communication skills
- Public Speaking abilities
- Compassionate and caring personality
- Ability to remain calm and poised in sensitive situations/conversations

HR@saulteau.com

We thank all applicants for their interest, however, only those selected for an interview will be contacted.

Preference will be given to persons of Aboriginal ancestry in the event of equal qualifications.

Please note other requirements of this position:

Criminal Record check
Valid driver's license
Oath of Confidentiality

Position will be posted until suitable applicant is selected.

Saulteau First Nations (SFN) is a section 10 band within the meaning of the Indian Act. The Band has been formed by the amalgamation of Dunne - Za, Cree, and Saulteau residents. This First Nations community is covered by Treaty 8. The community is located at the east end of Moberly Lake, which is about 100km southwest of Fort St. John on Highway 29. There is one reserve, East Moberly Lake No.169, spread over 3025.8 hectares.

Job purpose The Wellness Counsellor is primarily responsible for assessment, planning, implementation and evaluation of Mental health promotion and prevention programming for at risk clients. Counselling clients on all issues of mental wellness, or referring clients to services as needed.

As a part of a multi-disciplinary team the Wellness Counsellor will be on the front lines working with at risk clients in various stages of rehabilitation and varied risks.

Duties and responsibilities

- To provide support to at risk clients on an ongoing basis based on established standards
- To ensure consistency of quality, accountability and high standards in all client support and education. This includes working with other health staff to develop procedures, models and comprehensive frameworks of delivery
- To maintain accurate and complete statistical records, both qualitative and quantitative, for all clients, providing funders, particularly First Nations Health Authority, with comprehensive details on programs offered
- Maintain accurate and confidential case management files
- Provide monthly reports to the Director of Health on departmental progress in the above areas
- To ensure consistent and meaningful evaluation of all programs and services is carried out in order to assess their impact and success and to make needed changes and improvements as indicated
- Provide resources for clients and referrals as deemed necessary
- Liaise with hospitals, community agencies, health professionals, mental health workers, drug and alcohol counsellors, child and family services
- Able to budget time and resources as well as organize programs that would benefit the community
- Able and willing to do outreach as required

Other Related Duties

- To participate on in staff meetings
- To participate actively as a SFN representative in collaborative partner networks and in related community activities
- To identify client needs and access the proper resources to provide support to clients
- Participate in SFN sponsored community events
- Some evening and weekend work will be necessary

Qualifications

- The ideal candidate will have a Bachelor's degree in Social Work or Nursing, be a Registered Clinical Counsellor, or Psychologist, or an equivalent combination of education & experience
- Experience in mental health, childhood trauma, or addictions would be considered an asset
- Knowledge and experience in culturally appropriate programs and community-based service delivery
- Experience and knowledge of health promotion, community counselling, brief intervention
- Have excellent oral and written communication skills, plus strong negotiation skills
- Ability to solve problems, make effective decisions, resolve conflicts and manage time effectively
- Excellent computer skills
- Effective time management
- Ability to work independently as well as within a team environment
- The ability to keep confidential documents

Saulteau First Nation's Chief and Council accompanied by members of Hockey Canada

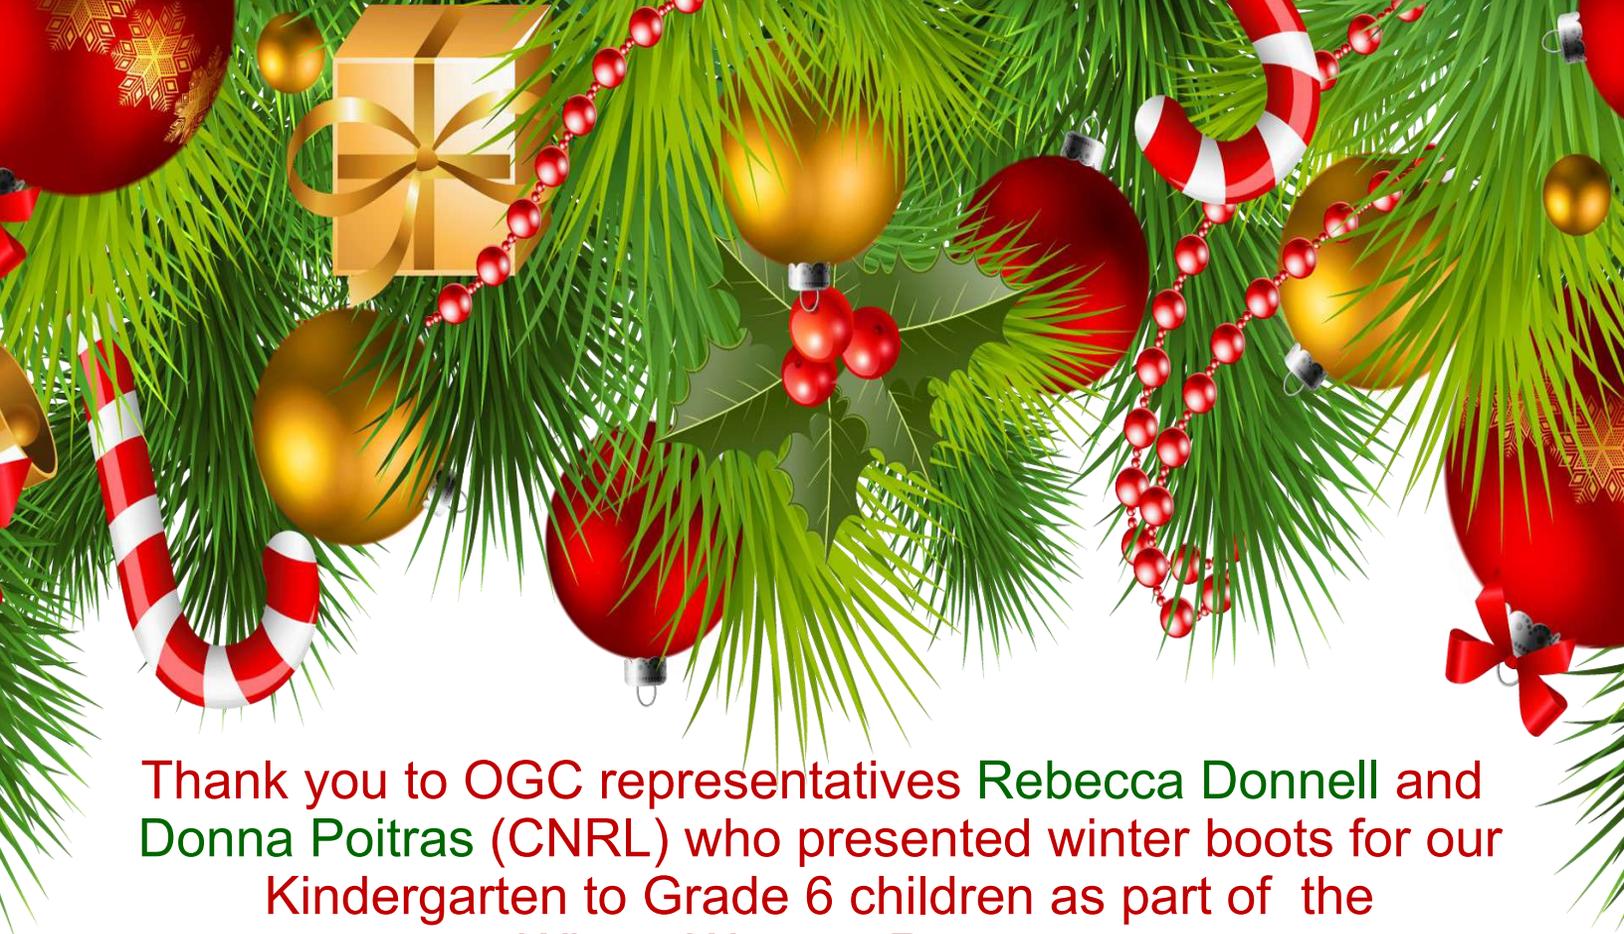

Saulteau First Nations would like to thank Mayor Bumstead out of Dawson Creek B.C. for igniting the idea of bringing Canada vs. USA Junior Hockey teams to the Peace Region.

After Bumstead reached out to Mayor Allen Courtoreille of Chetwynd, Allen was then able to reach out to Saulteau and West Moberly First Nations, where they all collectively worked together to bring the Junior Hockey game to Chetwynd's local Rec Centre.

This is a fine example what unity looks like when two districts and two nations come together.

We'd like to thank everyone who had a hand in helping making this event a success.

Thank you to OGC representatives Rebecca Donnell and Donna Poitras (CNRL) who presented winter boots for our Kindergarten to Grade 6 children as part of the Winter Warmer Program.

Saulteau's Community Christmas Dinner's

Special Thank You to Saulteau's Christmas Committee for all your hard work, planning and organization in this years Christmas gathering.

And a huge thank you goes out to all industry and outside donations that came in to help fund this years community Christmas gathering.

Thank you to the Chetwynd Christmas Bureau Society for providing hampers to those in need! Thank you to our group of volunteers that worked very hard to get these hampers to SFN homes and lastly to our Family & Social Development Department for coordinating this project. Merry Christmas Everyone, and Great Work!

Coordinated by Corrina Wutzke, SFN Family Support Worker and Carrie Paquette, SFN Social Development Worker

**BIRTHDAY!**

## Our Vision

We, the Saulteau First Nations, will strive to be the Best Governed Nation, one that is proud, culturally strong and self-sufficient.

As stewards of the land we will ensure that the best sustainable practices are followed, now and in the future. For as long as the 'sun shines, the grass grows and the rivers flow'.

We remain proudly determined.

Tansi To All Community Members,

As 2019 comes to an end, we continue to move forward. Don't look back on yesterday's disappointments, instead look forward to tomorrow's promise. And may the new year bring you an abundance of opportunities, beautiful moments, and joyful experiences. May you forever be filled with the hope and strength necessary to make your dreams a reality.

I want to thank everyone for their support, patience and understanding while I transition into the Communications role, Falon will be greatly missed. I'm looking forward seeing everyone at our communities future events!

Stay connected through our Saulteau Communications Coordinator Facebook page and if you don't have Facebook please don't hesitate to come see me in the office anytime for updates!

Mussi!
