

# *The Future is Bright!!*

*Chief and Council would like to announce to all Saulneau First Nation members, community members and the general public that we have applied for funds and were successful in our application.*

*That being said the Nation will receive funds from the Government of Canada, and the Province of BC through the Investing in Canada Infrastructure Program - Community, Culture & Recreation.*

*Estimated time for breaking ground will start in Spring of 2021!!*

*This is very exciting for our Nation and we are looking forward to the start and completion of our Nation's new Culture Center.*
