

Saulteau First Nations Community Meeting

SFN is hosting a Verification & Scoping meeting with The Firelight Group to review the findings of the Indigenous Knowledge and Use Study (IKUS) for the proposed **Taylor to Gordondale Pipeline Project**. This study includes valuable contributions from SFN members.

Additionally, members will receive details about an upcoming **IKUS study for the Westcoast Energy Sunrise Expansion Project**, which will run through SFN and Treaty 8 territory. Interviews for this study are scheduled for **March 2025**.

PGL will also present on the **First Nations Independent Technical Review (FNITR)** and provide an overview of the **CER process**, ensuring SFN members are well-informed and prepared to participate effectively.
